Only for Fan Pets: tu nueva oportunidad de negocio

¿POR QUÉ LOS PERROS Y LOS GATOS SE PARECEN A SUS PROPIETARIOS?

A día de hoy es completamente normal encontrarse con perros y gatos vistiendo las tendencias de moda, conjuntados en colores o accesorios con los complementos de sus dueños, que pasean en cochecitos de bebé, comen “real food” y son tratados como los auténticos protagonistas de los hogares. Cada vez son más los hogares en los que las mascotas toman el control.

¡ESTRECHA EL VÍNCULO CON SU MASCOTA!

Nuestros **FANPETS** son tan geniales que harán lo posible para hacerlos felices. ¿Cómo no quererlos con locura y pensar en ellos y en la relación que van a establecer con las cosas que a nosotros más nos apasionan? Capitán América, Minnie, Batman, Darth Vader... Todos los personajes clásicos y de tendencia tienen cabida en este proyecto que, sin duda, pretende ayudar a crecer ese vínculo indiscutible entre los propietarios y las mascotas.

WHY DO CATS AND DOGS LOOK LIKE THEIR OWNERS??

Nowadays it's usual to come across cats and dogs wearing the latest trends, matching colours and accessories with their owners, riding on baby carriages and eating healthier. There are more and more homes where pets are the most important members of the family, treated just like kings and queens.

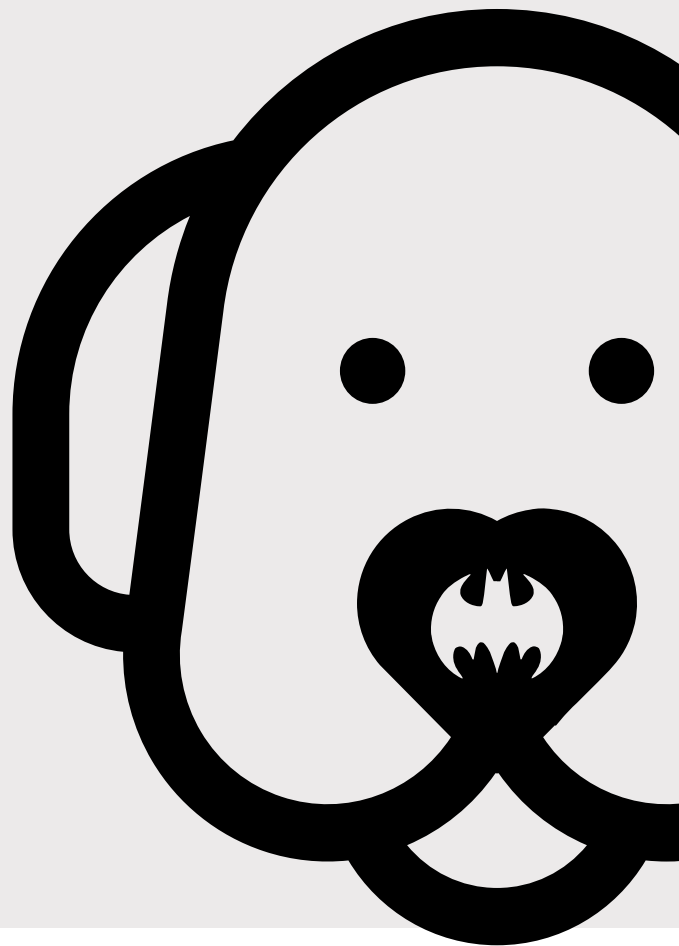

STRENGTHEN THE BOND WITH YOUR PET!

Our **FANPETS** would do everything they can to make their pets happy, but what if we told you that you can share with them all your passions? Captain America, Minnie, Batman, Darth Vader... All the classic and trendy characters have a place in this project, a project that wants to grow the bond between owners and pets.
