DO YOU WISH
to connect
with us?

Desde 2020 muchos estudios analizan el impacto de la pandemia en nuestra sociedad. Qué cambios se produjeron a la hora de socializar, cómo afectó a nuestra salud mental y la dimensión del consumo tecnológico.

Conceptos como metaverso, mindful gaming, IA, dopamina, sundriyng, streaming o second hand forman parte de nuestra realidad.

¿Cómo? Se dice que las crisis económicas son periodos de destrucción creativa en las que la necesidad de innovación modifica la estructura anterior creando una nueva.

Las emociones, la tecnología, la naturaleza y la creatividad son las promotoras de esta revolución en la que las personas estamos cada vez más conectadas.

A vibrant illustration for the Disney movie 'Wish'. At the top, the word 'Disney' is written in its signature blue script. Below it, the word 'WISH' is written in large, blue, outlined letters. The background is a dark blue night sky filled with white stars. A young girl with long dark hair, wearing a purple dress with a red sash, is lying on her back. She is holding a white feather in her right hand, from which a glowing yellow genie-like character is emerging. A trail of golden sparkles and stars follows the path of the feather and the character. The overall mood is magical and whimsical.

LA VIDA DEL RETAILER

Poniéndonos en sus zapatos hemos vivido la cuenta atrás para las rebajas, la ilusión por la vuelta al cole, la vorágine del Black Friday, la campaña de Navidad... y también experimentamos la incertidumbre ante el cierre, la evolución de la pandemia y la adaptación a la nueva normalidad.

LA EXPERIENCIA DE COMPRA

A través de los puntos de venta SuperMoments Retail Lab hemos observado que:

Los consumidores **adquieren los productos**, no por lo que son, sino por lo que **representan para ellos**.

Experimentamos el **potencial de lo visual, las gráficas** y su relación directa con el proceso de compra.

Comprobamos el poder de la venta cruzada y la importancia de **contar con empleados formados** en los puntos de venta.

¿QUÉ ES SUPERMOMENTS RETAIL LAB?

Queríamos conocer de primera mano la realidad de los retailers para ofrecerles soluciones y mejoras que les ayuden a rentabilizar su negocio. Por eso en Cerdá abrimos el primer SuperMoments Retail Lab en Aqua, Valencia en 2018.

RECURSOS Y HERRAMIENTAS

Desde SuperMoments Retail Lab de Cerdá hemos desarrollado recursos elaborados por el **equipo humano** que trabaja en SuperMoments, profesionales del retail junto a **expertos en marketing y licencias** para ofrecer a nuestros clientes retailers de forma gratuita:

Formaciones:

- **De producto** a través de vídeos para ayudarles a capacitar aún mejor a los equipos de venta.

- En **técnicas de venta y venta cruzada** para que saquen el máximo partido a su inversión.

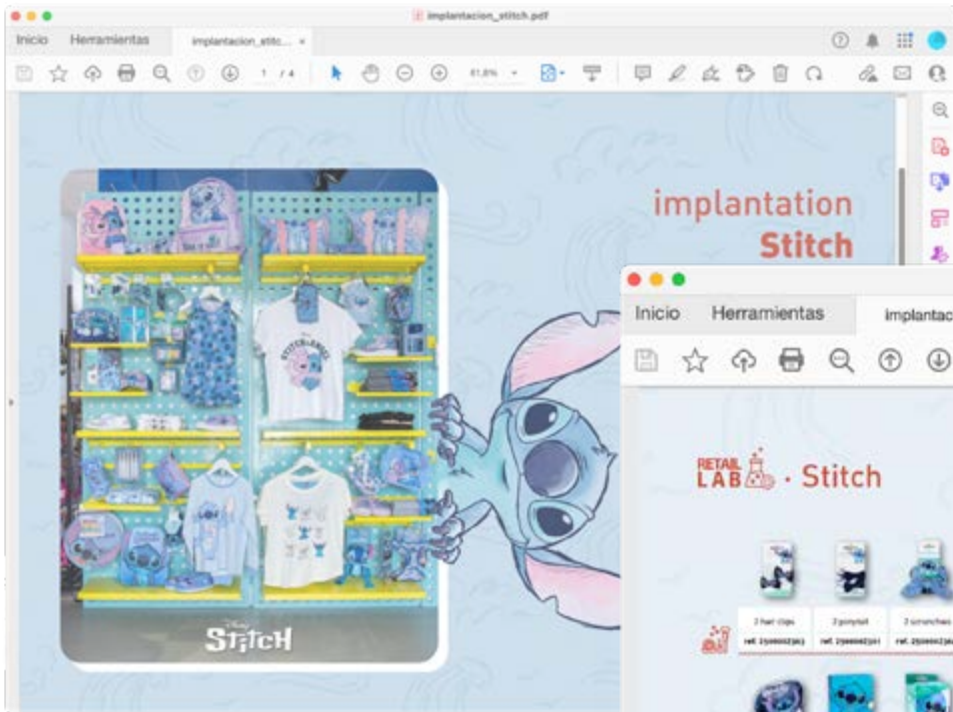

- En **personajes y licencias** para que conozcan de primera mano el producto que ofrecen a sus clientes.

Recursos de marketing como cartelería, datos de ventas y argumentarios **bien trabajados** que pueden utilizar para captar la atención de sus clientes.

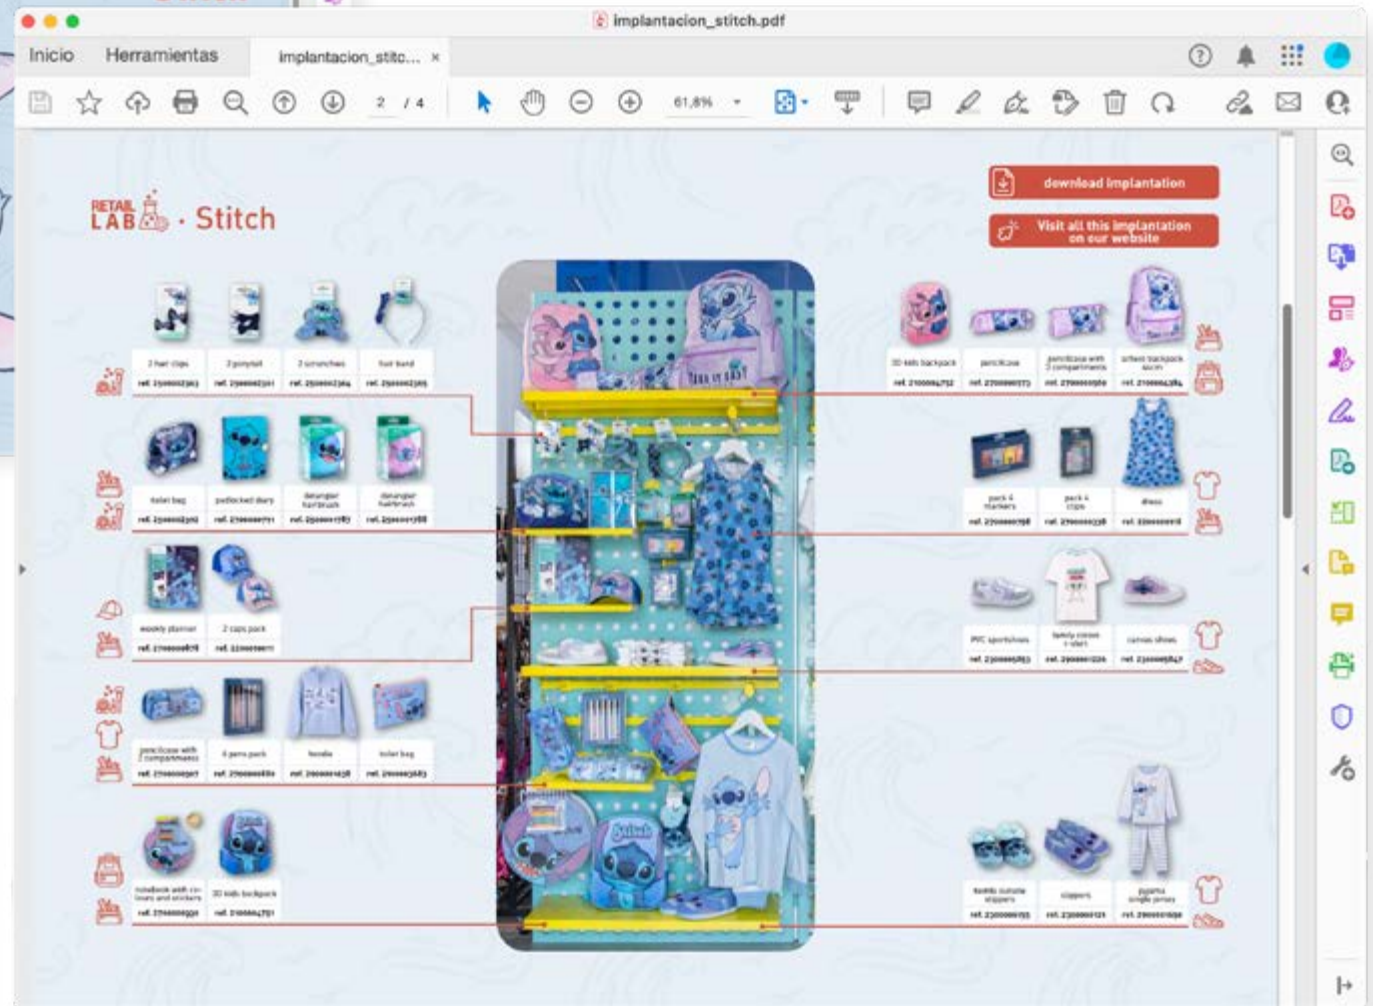

Cursos, webinars y jornadas que impartimos desde Cerdá para aprender técnicas, recursos y herramientas para sacar el máximo partido a su punto de venta.

Con el **Tour guiado por las tiendas SuperMoments** compartimos aquellos desarrollos que permiten vender más mejorando la eficiencia del trabajo para ofrecer al cliente final una experiencia enriquecida.
