*Have you ever thought which
Hogwarts House would you be in?*

Keep in mind that houses of Hogwarts - Hufflepuff, Ravenclaw, Gryffindor, and Slytherin - aren't just for organizing Quidditch teams, they're a way of life.

Gryffindor

You are passionate, courageous and brave. You have a highly-defined sense of right and wrong, and you speak your mind and fight for what you want. Some of the wizarding world's best-known members of house Gryffindor are: Minerva McGonagall, Hermione Granger, Order of the Phoenix founder Albus Dumbledore, and of course, Harry Potter!

Hufflepuff

You are modest, prudent, and down-to-earth. You work well with others, are a great team player, and you stand against injustice. Honorable Hufflepuffs throughout history have included: Cedric Diggory and many years ago - Newton "Newt" Scamander, the well-known author of *Fantastic Beasts and Where to Find Them*.

Ravenclaw

You are wise, sensitive, and quietly awesome. You may not always be noticed right away, but you are universally appreciated for your humor and brains. Notable students who the sorting hat has placed in house Ravenclaw include: Luna Lovegood and wand shop founder Garrick Ollivander.

Slytherin

You are sneaky, ingenious, and not afraid to bend the rules to your advantage. You consistently do your best to get ahead, and will do everything you can to be in a position of power. Famous witches and wizards of house Slytherin have included: Professor Severus Snape, Bellatrix Lestrange, Draco Malfoy, and even he-who-must-not-be-named, Tom Riddle, Lord Voldemort himself!

Whether it's wisdom, loyalty, cunning, courage, or ambition that drives you we are sure that this Cerdà's Harry Potter Capsule will be a delight for true fans like you even muggles.
